

Robertson's Retrievers & Doodles Puppy Sales Contract

On _____, 20_____, *Robertson's Retrievers & Doodles* agreed to sell the listed puppy at the price of \$_____ to the following buyer(s):

Buyer(s): _____

Address: _____

Phone: _____

Email: _____

Puppy's Name/Band Color: _____

Breed/Sex: _____

Birthdate: _____

Pick Up Date: _____

To our knowledge, *Robertson's Retrievers and Doodles* guarantees our puppy will be in good health. First puppy vaccinations and deworming (weeks 2, 4, 6, and 8) are current. Puppies are free from apparent defects and congenital diseases at pickup based on veterinary-approved checks.

The change in their new environment may add stress. Minor problems such as diarrhea, coccidiosis, gardia, wormy stool, kennel cough, etc., may occur and must be treated. These conditions are the buyer's responsibility, and you should seek a veterinarian for any treatment. The *Health Guarantee* does not cover minor health problems that can be cured with medication or surgery.

You will receive the following for your new puppy: A veterinary-issued health/vaccine record, an item with its mother and siblings' scents, current food, and other information to start you on the right path to care for and raise your new puppy. Thank you for purchasing from our family.
